Borders FHS Monumental Inscriptions are recorded by a team of volunteer members of the Society and are compiled over several visits to ensure accuracy in the detail recorded. Additional information such as Militia Lists, Hearth Tax, transcriptions of Rolls of Honour and War Memorials are included. Wherever possible, other records are researched to provide insights into the lives of the families who lived in the Parish.

Postage, payment, and ordering information is available on page 17

NB Please note that many of the Census Transcriptions are on special offer and in many cases, we have only one copy of each for sale. Order **now** if you want them at the special offer price.

Postage Rates as from 26 March 2018

Use this table to calculate the postage to be paid on your order.

UK and Overseas postage rates changed on 26 March 2018 to the rates shown below.

UK postage rates are complicated, as they depend on size of the package and its weight.

For UK orders, use Large Letter rates for 1 item, and Parcel rates for 2 or more items.

If we find that we can post more cheaply in a different way, we'll do that, and refund the difference.

Calculate the total weight of your order, and read off the postage cost in the table below, for your locality, postage method, weight and the number of items.
